

Allocation sheet for St Katherine's School

Transfer to secondary school 2025/26 bulk intake

National Offer Day (3 March 2025)

The school has a Published Admission Number (PAN) of 180. In order to meet as many on time parental preferences as possible, the school has agreed to breach it's PAN by 10, taking the total intake to 190.

210 preferences have been received for the school. It has, therefore been necessary to use the oversubscription criteria, as outlined below, to determine which of the applicants should be offered the places available.

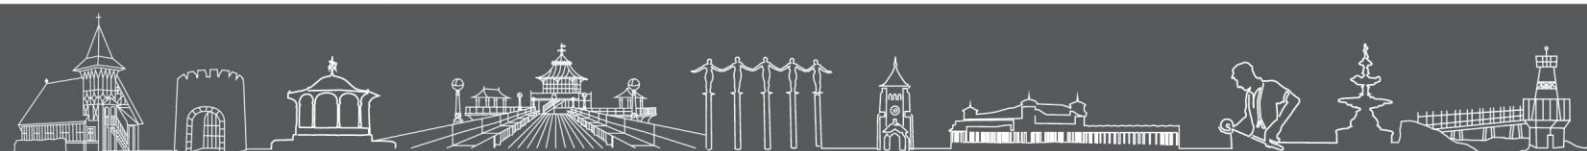

The places have been offered to the following applicants:

| | Number of offers |
|---|------------------|
| Where a school is named in a child's Education Health and Care Plan (EHCP), the admission authority is legally required to admit the child to the school. Therefore, such children are allocated places before the admissions criteria is applied. | 3 |

| | Admissions criteria | Number of offers |
|---|--|------------------|
| 1 | Looked after children and previously looked after children. | 3 |
| 2 | Children with a sibling attending the school, including the 6th form, at the time of admission living within the First Geographical Area. | 16 |
| 3 | Children living within the First Geographical Area. | 24 |
| 4 | Children with a sibling attending the school, including the 6th Form, at the time of admission living outside the First Geographical Area. | 46 |
| 5 | Children of staff. | 1 |
| 6 | Children living outside the First Geographical Area. | 97 |

The distance between home and school for the last child offered a place was 4.773 miles, as measured in a direct line.

Any applicants not offered a place at the school have been refused because there were more applications received than places available at the school. The oversubscription criteria was applied to determine who qualifies for a place.

To admit any further children would cause prejudice to the provision of efficient education or efficient use of resources, as set out in the School Admissions Code 2021.
